Key Speaker's Profile

Mr. Giraj

Founder-Director
Brand & Strategic
Consulting Boutique –
BehindTheMoon* Consultants

Mr. Giraj spent fifteen years in the industry before he set up 'Behind The Moon' - twelve of these years with Onida (a leading Indian Brand for consumer durables then) and was Head of Marketing & Sales. He also spent a couple of years with Indian Express. He has also been on the lecture-circuit for over a decade and has conducted over 600 workshops. He also conducts a few public workshops every year on The Success Mindset and Breakthrough Leadership.

He writes for the business press regularly. He also writes a critically acclaimed satirical blog that encapsulates the happenings in Delhi www.stateofdelhi.in. Giraj is one of the select contributors in the recently published book Sustainable Ecology & Sustainability where he has done a piece on Spirituality and Collective Consciousness & Spiritual Management.
