## Apoorv Vij

Sr. Manager -  
Technical Development,  
GBCI

As Senior Manager - Technical Development at GBCI, Apoorv supports project teams engaged in LEED Dynamic Plaque, LEED V4, WELL rating and other GBCI programmes in the Asia Pacific region.

Apoorv graduated from School of Planning and Architecture with a degree in Architecture. He has been working in the field of green buildings for 9 years. Apoorv's area of expertise includes development of new ratings/services, rating implementation, and training. He is an alumnus of the Swedish Institute Management Programme on Responsible Business.

Prior to joining GBCI, Apoorv was heading the technical development and training teams for the green building rating programme at TERI, where he was engaged in development and execution of new rating systems as well as other services like the Product Catalogue.
