## Deepak Gulati

Technical Specialist -  
Certification, GBCI  
Gurgaon

In his role as Certification Specialist at Green Business Certification Inc., Deepak performs technical reviews and analysis of building design and construction for compliance with LEED, EDGE and WELL standards. He is also involved in conducting onsite performance compliance verification and testing for assessor-based certification programs, EDGE and WELL. As a WELL Faculty, he is part of a select group of professionals pioneering a new frontier for healthy buildings and is authorized to teach the official WELL Curriculum.

Before joining GBCI, Deepak has worked with AECOM as a Sustainability Consultant. At AECOM, he led a team of sustainability professionals assessing sustainable strategies in built environment. He developed regionally appropriate business plans and was responsible for project cost control, developing financial forecasts and profit improvement plans.

Deepak holds a Bachelor's degree in Architecture and a Master's degree in Sustainable Energy & Entrepreneurship from The University of Nottingham, UK. He is a certified LEED AP BD+C, an EDGE Auditor and an Indian Green Building Council (IGBC) AP.
